

FRILO all-in-one package „Toolbox“

FRILO
A MEMETSCHEK COMPANY

We have the solutions - yours is the choice

With the FRILO “Toolbox” all-in-one package we offer you **all 30 currently available toolboxmodules** at a more favourable price.

You have the option of ordering the FRILO “Toolbox” all-in-one package **with** or **without** a Software Service Contract (SSC). You benefit from signing a Software Service Contract by receiving a hotline support, advice and guidance, software maintenance and adjustment of the norms free of charge for the duration of the contract. You will also be granted a discount when purchasing additional FRILO applications. Information on how to calculate the annual SSC amount can be found on page 2. The minimum term of the contract is 12 months. Please choose a SSC option:
