

FRILO “Reinforced Concrete” Package Offer

This software package includes 9 powerful structural analysis applications for the structural calculation of individual components of reinforced concrete.

In addition, you can buy the PLT and SCN applications (Plates/Panels by Finite Elements) at a reduced price in combination with this offer.

The FRILO Software Package is available alone or in combination with a Software-Service-Contract (SSC). You can find the list of applications and the SSC fees on the back.

<input type="checkbox"/> FRILO “Reinforced Concrete” Package with SSC	€ 1,550.00
In addition: <input type="checkbox"/> FEM Plate PLT with SSC	€ 600.00
<input type="checkbox"/> FEM Panel SCN with SSC	€ 400.00

Software-Service-Contract (SSC)

The services under the SSC include hotline support, advice and guidance, software maintenance and adjustment to new standards free of charge for the duration of the contract. In addition to this, you will be granted a discount when purchasing additional FRILO applications. The SSC fee is the sum of the SSC fees specified for the individual applications that you select on the list overleaf. The minimum term of the SSC is twelve months. The SSC fees shall be invoiced separately.

<input type="checkbox"/> FRILO “Reinforced Concrete” Package w/o SSC	€ 2,000.00
In addition: <input type="checkbox"/> FEM Plate PLT w/o SSC	€ 900.00
<input type="checkbox"/> FEM Panel w/o SSC	€ 600.00

Licence

The package comprises single-user licences in accordance with our licence conditions. You can find further information about optionally available multi-user licences, our Terms and Conditions as well as our SSC conditions at www.frilo.com

All prices are exclusive the statutory value added tax.
