

FRILO “Soil Analysis” Package Offer

This software package includes six powerful structural analysis applications for the structural calculation of individual components of soil analysis.

The FRILO Software Package is available alone or in combination with a Software-Service-Contract (SSC). You can find the list of applications and the SSC fees on the back.

FRILO „Soil Analysis“ Package“ with SSC **€ 1,350.00**

Software-Service-Contract (SSC)

The services under the SSC include hotline support, advice and guidance, software maintenance and adjustment to new standards free of charge for the duration of the contract. In addition to this, you will be granted a discount when purchasing additional FRILO applications. The SSC fee is the sum of the SSC fees specified for the individual applications that you select on the list overleaf. The minimum term of the SSC is twelve months. The SSC fees shall be invoiced separately.

FRILO „Soil Analysis“ Package“ w/o SSC **€ 1,550.00**

Licence

The package comprises single-user licences in accordance with our licence conditions. You can find further information about optionally available multi-user licences, our Terms and Conditions as well as our SSC conditions at www.frilo.com

All prices are exclusive the statutory value added tax.
