

FRILO Special Steel Package Offer

This software package comprises four powerful structural analysis applications for the design and structural calculation of complex beam and column systems, (un-) stiffened buckling plates as well as dynamically loaded crane way beams.

The FRILO Special Steel Package is available alone or in combination with a Software-Service-Contract (SSC). You can find the list of applications and the SSC fees on the back.

- FRILO Special Steel Package with SSC** **€ 1,750.00**
SSC fee: € 336.00 / year = € 28.00 / month

Software-Service-Contract (SSC)

The services under the SSC include hotline support, advice and guidance, software maintenance and adjustment to new standards free of charge for the duration of the contract. In addition to this, you will be granted a discount when purchasing additional FRILO applications. The SSC fee is the sum of the SSC fees specified for the individual applications that you select on the list overleaf. The minimum term of the SSC is twelve months. The SSC fees shall be invoiced separately.

- FRILO Special Steel Package w/o SSC** **€ 2,100.00**

Licence

The package comprises single-user licences in accordance with our licence conditions. You can find further information about optionally available multi-user licences, our Terms and Conditions as well as our SSC conditions at www.frilo.com

All prices are exclusive the statutory value added tax.

I/we herewith order the above-mentioned product(s) exclusive VAT in accordance with the Terms and Conditions and the Licence Conditions of FRILO Software GmbH. (Please tick the corresponding check box(es).)

Standard shipment: license via email in conjunction with an installation via download.

Optionally: Delivery on USB stick for a service fee of 29.90 € + shipping fee of 6.50 €.
